NOTICE OF CHANGE TO TEXT AS ORIGINALLY PROPOSED

You are receiving this notice because you provided comments or expressed an interest in receiving notices of changes to the California Department of Corrections and Rehabilitation amendments to the California Code of Regulations concerning Milestone Completion Credits.

Amendments to the proposed text originally noticed to the public are indicated by bold double underline for newly added text and bold ~~double strikethrough~~ for text deleted from the original proposed text. The single underline and strikethrough formatting from the original proposed text noticed to the public has been retained. These proposed changes are being made available for public comment.

The attached text contains the following changes:

Section 3043. Credit Earning.

Subsection 3043(c)(6) is amended to establish the new revision date of the Milestone Completion Credit Schedule to (04/15), which is incorporated by reference. The revision is necessary to include added, deleted and amended milestone completions and credits awarded for a variety of Programs and Courses available to eligible inmates.

Additionally, the Milestone Completion Credit Schedule is amended to include various program additions. These programs, such as Addiction Recovery Counseling, Victim-Offender Education Groups, and Alternatives to Violence, are adopted to provide eligible inmates with greater opportunity to participate in rehabilitative programs with the ability to earn Milestone Completion Credits upon successful completion. The added programs may provide offenders with a productive work and skill level which may allow them a greater opportunity for employment upon release thus, helping to reduce recidivism and increase public and prison safety.

The comment period for these revisions will close on May 22, 2015. Please submit comments to Timothy M. Lockwood, Chief, Regulation and Policy Management Branch, Department of Corrections and Rehabilitation, P.O. Box 942883, Sacramento, CA, 94283-0001; by fax to (916) 324-6075; or by e-mail to rpmb@cdcr.ca.gov, before the close of the public comment period. Comments must be received or postmarked no later than 5:00 p.m. on May 22, 2015. Only those comments relating directly to the enclosed post-hearing changes that are indicated by bold double underline or ~~double strikethrough~~ will be considered.
